- 40 year limited warranty on panel
- 1 year warranty on labor
- 5 year rust-through warranty on 14GA
- Units are not sealed.

- Not all structures meet city/county codes. Engineered plans and upgrades for permits are additional costs.
- 25 year rust-through warranty on 12GA assuming normal care and maintenance.
- For units longer than 31' a vertical roof is highly recommended to prevent leaking.
